Please submit any acceptances using this [FORM](#). This also includes Santa Barbara City College, US Military options, Gap Year, or any other post high school plans. We want to celebrate you!

9th-11th grade. . . What are your summer plans?

We are nearly halfway through the school year and summer is just around the corner. It's time to start thinking/planning for what you are going to do. **Here are some good options:**

- [Community Service/Internships](#)
- Santa Barbara City College Dual Enrollment Class (or any other local community college)
 - Ventura, Oxnard, Allan Hancock, Moorpark are all great options
- Get a job
- 4-year College [Summer Programs](#)
 - These can be great to get a feel for a college campus by taking 1 or 2 college classes
 - These might still be virtual this summer, so keep that in mind
- Go on a College Tour
 - We would love to hear about it and also help you plan!
 - Or take some [virtual college tours](#)

Let us know how we can help with any of these!
